President Message

Hello everyone, I am looking forward to seeing everyone's creation from their bag of items. Hopefully everyone will be able to attend since we will be having guest attending the auction and luncheon. This is an opportunity to share with the public our talents and perhaps get new members. Since we did not have the auction when originally planned, I did not remake the invitations. I did send an invitation to everyone on my email list that I thought might be interested. I have already had several people respond and say that they are coming. Perhaps you could do the same. Stay cool and keep painting, Liz

Ways & Means

Please don't forget to bring you mystery painted piece to the meeting this month. The time is here for our mystery project auction and luncheon. We will have the auction as soon as the business meeting is over. While the auction is going on we will have the drawing for the hand quilted and designed painters quilt. Bring all you family and friends so this turns out to be a big fund raiser for our chapter. Don't forget your food for the luncheon. Remember the fair is almost here, so Paint, Paint, Paint! Thanks, Bonnie

Please make copies of the invitation at end of newsletter and had out to your friends.

Web hints

Linda Barnhill sent this helpful hint and several of you e-mailed me back that you have one and really like it. Other places similar item are available are Wal-Mart, Hofcraft, and Pampered Chef. Check out this item, it holds craft tool but would be great for color pencils too. The CCDP members may find it interesting.
