President Message

I hope that you will all go to the fair and see what a great display we have. Thanks to everyone that has helped or contributed pieces for our display. Also thank you to those that have signed up to demo at the fair. This is a great way for us to earn money for our chapter. I appreciate all of the work that Jane and Bonnie have done towards getting everything in place for the fair. It does take dedication to pull off everything that has to be done. I hope to see you all at our next meeting as elections are taking place and nominations can be taken from the floor. It would be great to have a real election and at least 2 persons running for the elected offices. Take care and keep on painting. Liz
